Jean Sinclair From Brazil Achieves 2 Star President Rank At ByDzyne

BY TEAM BUSINESS FOR HOME

MAY 13, 2021

Never lacking in prominent networking marketing icons, ByDzyne has welcomed its latest up-and-coming superstar in the form of new 2 Star President Jean Sinclair from Brazil. The 2-Star President ranking generates \$400,000 of sales revenue over a two-week cycle. *

Sinclair, who hails from the bustling city of São Paulo, has been an industry standout for the past three years and recently joined ByDzyne before achieving his ranking in his first cycle. Extremely motivated to show his two children that there is opportunity and fortune outside of traditional employment, Sinclair was ecstatic when what he describes as the "perfect opportunity" to make real change in the industry came knocking.

"When I was first introduced to ByDzyne, I realized that this would be the company that would change the history of network marketing in Brazil and the rest of the world."

"They have three foundational pillars that make it the most lucrative opportunity in the industry—the vision, honesty, and integrity of the founders, one-of-a-kind products that actually work, and their distinguished compensation plan that is the best I have ever seen. I simply had to join and am so blessed that I did,"

shared a grateful Sinclair.

Chad and Nattida Chong, cofounders of ByDzyne, are also lauding the Brazilian leader's certitude, and are confident that he will be instrumental in further expanding the lavish South American market.

"Congratulations to Jean Sinclair as our first 2 Star President from Brazil. His hard work, dedication, and commitment to excellence have been rewarded and we know the future is bright. We look forward to an even bigger impact and can't wait to see all that he is going to do in Brazil and beyond,"

conveyed the delighted Chongs.

That's exactly how Sinclair feels. The 46-year-old former business manager is thrilled with his record-breaking first cycle with the company but feels determined as ever to capitalize on the momentum he's built.

He shares that his current drive is rooted in a world where he sees young entrepreneurs, much like his interested teenage daughter, Clara, taught new valuable concepts, develop innovative business skills, and encouraged to build a long-lasting source of residual income in the multi-level marketing industry. Not only is that the goal, and not only does he recognize that ByDzyne is the right vehicle for him to build his future, but he is appreciative of all that have helped him get there and all who continue to inspire him today.

"I have the utmost gratitude for all the support that we have received from all the founders, and I know we would not have achieved this result in such a short amount of time if it weren't for them. And thank you to my two beautiful children, Henrique and Clara, as you both continue to be my daily fuel as we pursue this legacy together,"

shared a proud father.

Along with ByDzyne's executive team, Sinclair also credits his recent triumph to Spanish Crown Alejandro Meroño, fellow 2-Star President José Gasión, and friends Gabriel Bogo and Wagner Salazar. With all of the support, Sinclair is locked in to completely transforming the network marketing industry in South America as he knows it.

"My goal is to achieve Crown rank by the end of the year and to help my team build and form great leaders, ensure that all those that are interested have full access to this real and legitimate opportunity for personal and financial growth, and bring the revolutionary concept of ByDzyne to fruition here in Brazil and the rest of South America,"

declared an unwavering Sinclair.

Jean Sinclair entra para a ByDzyne e se torna o primeiro presidente 2 estrelas no Brasil.

Nunca faltando ícones proeminentes do marketing de rede, a ByDzyne deu as boas-vindas ao seu mais recente superstar na forma do novo presidente 2 estrelas Jean Sinclair do Brasil. A classificação do Presidente 2 estrelas gera \$ 400.000 de receita de vendas em um ciclo de duas semanas. *

"Sinclair, natural da movimentada cidade de São Paulo, se destacou no setor nos últimos três anos e recentemente ingressou na ByDzyne antes de chegar ao ranking em seu primeiro ciclo. Extremamente motivado para mostrar a seus dois filhos que há oportunidade e fortuna fora do emprego tradicional, Sinclair ficou em êxtase quando o que ele descreve como a "

oportunidade perfeita" para fazer uma mudança real no setor apareceu.

"Quando conheci a ByDzyne, percebi que essa seria a empresa que mudaria a história do marketing de rede no Brasil e no mundo. Eles têm três pilares fundamentais que a tornam a oportunidade mais lucrativa do setor – a visão, a honestidade e a integridade dos fundadores, produtos únicos que realmente funcionam e seu distinto plano de remuneração que é o melhor que tenho já vi. Eu simplesmente tinha que entrar e sou muito abençoado por isso ",

disse Sinclair, que agradeceu.

Chad e Nattida Chong, co-fundadores da ByDzyne, também estão elogiando a certeza do líder brasileiro e estão confiantes de que ele será fundamental para expandir ainda mais o luxuoso mercado sul-americano.

"Parabéns ao Jean Sinclair como nosso primeiro presidente 2 estrelas do Brasil. Seu trabalho árduo, dedicação e compromisso com a excelência foram recompensados e sabemos que o futuro é brilhante. Esperamos um impacto ainda maior e mal podemos esperar para ver tudo o que ele vai fazer no Brasil e além ",

comentou o encantado Chong.

É exatamente assim que Sinclair se sente. O ex-gerente de negócios de 46 anos está entusiasmado com seu primeiro ciclo recorde com a empresa, mas se sente determinado como nunca a capitalizar sobre o impulso que construiu.

Ele compartilha que sua motivação atual está enraizada em um mundo onde ele vê jovens empreendedores, assim como sua filha adolescente interessada, Clara, ensinando novos conceitos valiosos, desenvolvendo habilidades empresariais inovadoras e encorajados a construir uma fonte duradoura de renda residual na indústria de marketing multinível. Não é apenas esse o objetivo, e ele não apenas reconhece que a ByDzyne é o veículo certo para ele construir seu futuro, mas ele agradece por tudo que o ajudou a chegar lá e por todos que continuam a inspirá-lo hoje.

"Tenho a maior gratidão por todo o apoio que recebemos de todos os fundadores, e sei que não teríamos alcançado este resultado em tão pouco tempo se não fosse por eles. E obrigado aos meus dois lindos filhos, Henrique e Clara, porque vocês dois continuam a ser meu combustível diário enquanto buscamos esse legado juntos ",

compartilhou um pai orgulhoso.

Junto com a equipe executiva da ByDzyne, Sinclair também credita seu recente triunfo ao espanhol Coroa Alejandro Meroño, ao colega Presidente de 2 estrelas José Gasión e aos amigos Gabriel Bogo e Wagner Salazar. Com todo o apoio, Sinclair está empenhado em transformar completamente a indústria do marketing de rede na América do Sul como ele a conhece.

"Meu objetivo é alcançar a classificação Coroa até o final do ano e ajudar minha equipe a construir e formar grandes líderes, garantir que todos os interessados tenham acesso total a esta oportunidade real e legítima de crescimento pessoal e financeiro, e trazer o conceito revolucionário de ByDzyne para fruição aqui no Brasil e no resto da América do Sul ",

declarou um Sinclair inabalável.
